Courtenay
Place?

Absolutely

**Courtenay Place Clean Up
19 June, 2023**

Celebrating the unique role Courtenay Place plays in our city. We're rolling up our sleeves and pitching in to freshen up the heart of our entertainment district.

Kia ora. This ICW Update is provided by our seismologist Geraldine Murphy.

National Seismic Hazard Model MBIE responses to questions on what this means for earthquake-prone buildings

In September/October the revised NSHM was submitted a number of questions to MBIE seeking clarification on more detail on the impact of the model on earthquake-prone buildings and the policy.
